The perfect microphone for professionals with 4 polar recording patterns including an industry first with adjustable pattern selection. Excellent for live blog streaming, twitch broadcasting, podcast recordings, voice-overs, online gaming, interviews, skype video conferencing, backyard DJ, vocals, and music recordings.

Crafted from industrial-grade components, including die-cast anodized aluminum body and stand, with pro-glide controls, this professional level instrument will provide years of service.

Compatible with Mac, PC, and other USB ready systems.

System Requirements

- Mac OSX 10.4.11 (Tiger) or later
- Windows OS 10, 8.1, 8.0, 7 or later
- 64 MB RAM (min)
