The CA Essential Laptop Docking Station is a compact versatile USB C docking station for your laptop. Organize Your Workspace, power your laptop and connect all your peripherals with a single USB-C cable. The docking station is compatible with laptops that have USB-C or Thunderbolt 3 ports.

Complete Connectivity with simultaneous dual 4K HDMI monitor displays with Windows 10 or 11 (mirrored displays on Mac OS), five USB Type A 3.1 Gen 2 ports, and one USB Type C 3.1 Gen 2 port, RJ-45 Gigabit Ethernet Port, Integrated Security K-Slot (Lock cable not included).

Charge Your Laptop when connecting the CA Essential Laptop Docking Station to your laptop with the USB-C cable. The included 130 Watt dual voltage power adapter provides enough power for the docking station and 90 Watt Power delivery to power and charge your laptop.
